## Why a Global Studies Minor? Four Excellent Reasons

1. Learning: International experience gives students a chance to apply concepts in novel environments.
2. Adventure: Working with other students on international projects can be the most memorable part of an undergraduate experience!

## Why a Global Studies Minor? Four Excellent Reasons

3. Career advancement: Employers look for applicants who are open to frame-breaking change and global consciousness. This will look good on your vita!
4. Service: EWB and similar organizations sponsor projects that bring health and other positive outcomes to less fortunate people. This may be the most rewarding work you ever do!
