The focus must be on "learning by doing" in a creative and innovative activity that generally falls outside the realm of the traditional lecture classroom experience and contributes significantly to professional and personal development.

Specifically define how the selected activity achieves the objective for experiential learning (how does it connect to and satisfy the S&T commitment to the Higher Learning Commission as part of the Quality Initiative – the activity should be significant and the depth of learning should be well documented):

This activity has been approved. An acceptable end-of-activity reflection must be attached for this activity to qualify for experiential learning credit.
