### Undergraduate Research Conference
Judging Criteria
Oral Presentation

**Student’s Name:**

**Category:**
- [ ] Arts and Humanities
- [ ] Engineering
- [ ] Sciences
- [ ] Social Sciences

<table>
<thead>
<tr>
<th>Composition (30 Points)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Includes:</td>
</tr>
<tr>
<td>- Introduction of research</td>
</tr>
<tr>
<td>- Clear statement of hypothesis</td>
</tr>
<tr>
<td>- Goals &amp; objectives clearly communicated</td>
</tr>
<tr>
<td>- Clear explanation of procedures used</td>
</tr>
<tr>
<td>- Explanation of research design &amp; statistical analysis</td>
</tr>
<tr>
<td>- Clear presentation of results obtained</td>
</tr>
<tr>
<td>- Communication of relevance/importance of the research project</td>
</tr>
<tr>
<td>- Addresses practical application/potential impact of the research/project</td>
</tr>
</tbody>
</table>

### Achievement (30 Points)

Rate your overall impression of the student’s research achievement:

- Did the observations presented support the conclusions?
- Was there evidence of progress towards the goals & objectives?
- Was there evidence that the project led to learning beyond the classroom?

### Presentation (30 Points)

Oral Presentation:
- Well planned & organized
- Visual aids used effectively
- Grammar, pronunciation & sentence structure correct
- Made good use of literature
- Thoroughly explained
- Connection with the audience
- Questions from the audience were effectively addressed
- Presentation was within time limits

### Overall Quality (10 Points)

Rate the overall quality of the research project. Consider the:
- Abstract
- Paper
- Presentation/delivery
- Student’s understanding of the topic

**Total Score**
